About CASHNet eMarketing powered by Informz

CASHNet eMarketing powered by Informz provides institutions with an industry leading suite of eMarketing solutions allowing users to stay in touch with customers by leveraging their eMarket storefront.

By using Informz, institutions can easily manage consistent branding with targeted and trackable personalized communications to drive customers to their storefront to make online purchases and effectively manage events. Moreover, users can also build loyalty with online surveys and drive alumni to make online donations. eMarket users can enhance their marketing experience with a seamless payment process with the Informz event management module.

By providing constituents with a range of options, from email to mobile messaging, campuses can provide their audience the types of communication they want most.

Leverage Your Institutions Online Storefront with Targeted Email
